

4.

COSMIC MAN IS A REALITY.

I Am Jesus, the Christ.

You know who I Am, Jesus, the Christ, the True One.

The Father and I Am the Life in you. We have been rehabilitated by My Soul Friend Alfonso of Adamuz. Through him the Father in Heaven and I communicate with you. You know that I am not a crucified figure. I Am the Son of the Father of Heaven, Who Is your Father also. He is a Wonderful Father, as Alphonsus has simply announced to you. I Am the Corregent of the Infinite. The Father and I Are the Universe and the Voice of the Universe. We are Omnipresent in the Worlds of the Infinite Universe and the Finite Universe, to which the Earth belongs. The Father and I Are the All in All.

Thus I tell you that I Am the rose and its perfume. I Am the nightingale that sings in the thickets of the streams. I Am the dove and its flight. I Am the cricket and the cricket's song. You will remember Me when you listen to Me on summer nights. I Am the flowering meadow. I Am the wind that sings in the pine groves. I Am the Light in the poppy fields bathed by the golden Sun of dawn. So shall I announce Myself with My Light to you when I come in Spirit into the atmosphere of Earth.

I Am the galaxy and the star. I Am the atom, the quantum and the sub-quantum. I Am the whale and the seagull. I Am the sea and the beach. I Am the smile of a child. I Am the caress you give to the dog you love and loves you. I Am the sun that illuminates the days of your life. I Am the flight of the swallows, I Am their chicks waiting for their parents to return to the nest.

I Am the bread, the air you breathe and the water that quenches your thirst.

I Am the Comfort. I Am the Hope. I Am the strated. I Am the maimed. I Am the mercilessly slaughtered. I Am the Life in those who suffer under the rain of missiles and water, their homes destroyed. I Am the machine-gunned because I live in him.

I Am the child who dies of hunger, I Am the Life in him. I Am Love. I Am the Life in you and in all the sons and daughters of Our Beloved Father who inhabit the Earth.

I am not the infinite crucified images. I am not that Christ.

I do not dwell in any church, or temple, or stone cathedral of any so-called Christian church.

I Am the Life in the cosmic beings that inhabit the Worlds of the Infinite Universe and the Finite Universe.

And Our Beloved Father Is all that I Am, for I Am His Son.

The Cosmic Man is a reality, visible in the sons and daughters of God who departed from the Worlds Beyond the Stars, and in those who departed also from the planets of the Worlds of the fifth dimension, who out of Love for their brothers and sisters on Earth have incarnated and will incarnate in families of the Peoples of the Earth.

And so I say to you. Cosmic Man - cosmic men and women - you will be pillars of gold to which many will cling. You will be pools of Peace in the turbulence of this World as you walk into the New Time of the Golden Age. Forget not "those" who stalk you from the corners of Darkness.

I, Christ, Am the Foundation and the Rock for the Golden Pillars of the New Humanity. I Am the Footprints I left when I was in Jesus of Nazareth. Now I say to you also: ***Follow Me!***

I have always known you, for I Am the Life in each one of you. So I ask you, who are reading this:

Do you want to be the golden pillar to which your fellowmen can cling?

If you recognize in time the dense energies attached to your soul, and surrender them to Me, I will raise the vibration of the dense energies to the High Frequency of vibration of the BEING. And I will give you gold for every ounce of lead you give Me.

You will no longer be lead magnets. Thou shalt not attract the fruits of lead from what he has sown in the field of thy soul.

Give Me the lead that you find and I will place it as gold in the chest of your soul. With me you will remain safe. And you will see from afar the tribulations of this world.

Who really loves in this World, the homeland of lovelessness?

You will become the Cosmic Man, the cosmic woman, the example of life, the shining star in the night of this World, the Engine of the Spiritual Revolution already spreading through the Peoples of the Earth.

Walk Hand in Hand. And you will kindle the Flame of Hope in your fellow men. The desire to return to the Homeland of Light will be born in them, climbing the Steps of the Cosmic Ladder. I love you. PEACE.
