Prepare what is necessary, in time, to help in the tragic events of the collapse of the civilization of dis-Love”, because man has not lived the Law of Love. He has not lived loving by loving . " It is said. You are free to accept or not what is advised. “Without freeing your souls from non-positive energies, you will attract what corresponds to the causes created in this and other incarnations. You disable yourself from moving forward. These energies are still present in your souls. Do it on time, unleashed the great events you will not be able to. “Remember that it is necessary to transform the energies foreign to your true Being into positive energies. My Son, Jesus the Christ, helps you to transform him. For your understanding we call "lead" the low frequency energies of vibration that you recognize are still attached to your souls. Jesus, the Christ, will raise them to the high frequency of vibration, transforming them into "gold". These “gold” coins will be placed by Me and My Belovéd Son in the Chest of your souls. You can donate this "gold" to your fellow men, to your brothers in Life, the small and large animals of the earth and of the waters. Donate the "gold" of your souls to every flower, every wild plant, bush and tree. Donate this "gold" to every being, as far as your gaze reaches, because My Son and I are the All in all, the Eternal I Am, the Love manifested in all being and existence. We are the Life. And so you will love Us in Everything as We love you. "Remember the Commandment Thou shalt not kill. In the “Solidarity Coexistence Nuclei” animals are not killed. There are no weapons. My Son and I are Life, Love made visible forms for you. By loving your fellow human beings, the animals and the plants, you love My Son, Me. It is said,

we remind you, We are the All in all. So We are also the river and the sea, the mountains and the meadows in flower, the bird and its song, the butterfly and its flutter... We are also your smile..., Harmony, Beauty... For every grain of "gold" that you sow, we will give you a spike of "gold". So you can continue donating grains of "gold-Love", and you will receive more spikes of "gold-Love". It will increase your potential of Light-Love. Who loves is loved from all being and existence. "Always keep in mind: « "The example of life must go ahead of words". "Forgive and ask for forgiveness. The strongest help the weak. Live in PEACE. "Join Mother Earth and all beings and existences of the mineral, vegetable and animal Kingdoms sheltered by Mother Earth. Develop internal Communication with these manifestations of Our Love made form. «I am, your Father, I am the Voice of the Universe. My Son, Christ, is the Voice of the Universe. Raise your thoughts to Us. «Enter Harmony by breathing consciously when you enter into mental agitation, also to enter the Profound Realms of your souls, where My Son and I reside. « Raise your thoughts to the Nucleus of Being of your souls in the area of the pineal gland. And talk to us.

«Send Love to those who suffer, to those who are sick, to those who suffer from hunger and thirst and cold, and who do not have a roof under which to shelter. « All the Love you give will be little. Who really loves in this world? "Come to the Fortress of Love within you, and rest in Us. You are not alone or abandoned. You are tenderly loved. Have Hope. Pray from the heart. You are heard. We live inside you." « Live among yourselves the principles of Equality, Unity, Liberty, Fraternity. Be fair to each other. « Measure yourselves, likewise, each one, with the Golden Ethical Rule of Natural Law: "Do not do to others what you do not want them to do to you." « Do not establish personal leadership. Live Equality. Take agreements as a group. « Pay special attention to children and the elderly. They are the weakest. « Be aware that, in time, you have to organize yourselves. The Global War Conflict will close international trade routes. The energy crisis will mean that freight transport within a country does not work as it does now. The global economy will fall. National economies will undergo major changes There will be business closures as supply chains are disrupted. And what was normal to find will not be possible to find. It's happening. "Prepare yourselves mentally. Do not enter the mental sphere of fear, whatever happens. Breathe consciously to enter Harmony. Unite your thoughts to the internal Sun, in the area of the pineal gland, in the brain. «Speak with Me and with Jesus, the Christ, simply, as one speaks with a father and a brother. We are attentive to your arrival. PEACE.
