

FRAGMENT OF "MESSAGE FROM THE STARRY BROTHERS GIVEN TO HUMANITY DURING THE COLLAPSE OF THE PRESENT CIVILISATION."

**GIVEN BY YOSUÁ, SPOKESMAN FOR THE STARRY BROTHERS ON EARTH-
CIRCUMNAVIGATING SHIPS, THOSE STATIONED ON LAND BASES AND IN THE FLEETS
AND SHIPS STATIONED IN THE KUIPER BELT.**

UPDATE -October 2023.

We have announced the disappearance of Israel as a State in the books "ENTRE EL ÉTER Y LA TIERRA", "BETWEEN THE ETHER AND THE EARTH", "PELDAÑOS- LA ESCALERA CÓSMICA-", "STEPS -THE COSMIC LADDER-", "MENSAJE A LA HUMANIDAD - DESCORRIENDO VELOS-" "MESSAGES TO HUMANITY - DRAWING BACK THE VEILS - " , "MESSAGES FROM THE STAR BROTHERS GIVEN TO HUMANITY DURING THE SINKING OF THE PRESENT CIVILISATION", in English, French, Spanish, Italian, French and German.

We have also announced that the United States will not stand on its own feet and will fragment into states in an every man for himself.

We have said that not long after the disappearance of Israel as a State, the Great War between the Peoples of the Earth, which many call World War III, will begin.

These are not hypotheses, it will happen as foretold. This end of the Cosmic Cycle is also harvest time for the Peoples and the inhabitants of planet Earth.

The auras of the Peoples of Earth are darkened, ready to discharge at any moment. The auras of countless inhabitants of Earth have also darkened. Incarnation after incarnation, century after century, they have attached to their souls fields of dense energy generated by un-Love.

What they have caused to their fellows and to the beings of the Kingdoms of Nature are powerful magnets that will inexorably attract the fruits created by un-Love.

Israel and Palestine have been present in the Earth's media because of what Israel has been causing to those who inhabit the great prison it has built out of part of ancient Palestine. The silence of those who govern the so-called Christian West has helped to build it.

We do not describe the suffering of the thousands of bodies wounded and destroyed by the bombing. Nor the thousands of dead children, women and mothers and fathers. Nor the explosions of bombs and missiles reducing homes and buildings to rubble, leaving thousands and thousands of God's sons and daughters out in the open, deprived also by Israel of water, food, fuel and energy for the hospitals that remain undestroyed. We are not talking about the endless flames of hatred lit by Israel, not only in Palestine. It has also lit them in millions of inhabitants of the countries of West Asia, which are encircling Israel.

"What you sow you shall reap", taught the Son of God incarnate in Jesus of Nazareth.

What has Israel sown in the more than seventy years that it has existed as a state, violently driving millions of Palestinians from their homes, villages and lands?

From the ships we see what is happening, and so do the Star Brethren on the ground. With their radiations of Love they comfort those immersed in the pits of pain and suffering in the tragic moments of the deaths of family, friends and acquaintances. Israel is the sum of the cosmic soul-beings who also departed from the Homes of the Pure Heavens. These brothers in Life have been incarnating in bodies for millennia and centuries, causing to their fellows what they now show before the world. Plus what they have been causing for more than seventy years to the brothers and sisters of the Palestinian People, brothers and sisters in Life.

How many millions of Israelis have come out in mass demonstrations in the streets of Israel's cities and towns, asking their rulers and soldiers not to bomb and kill other sons and daughters of God, not to destroy their homes, not to deny them the water and food they and their children need to survive?

Have they raised and united their voices in pleading for mercy for them?
Have they supported by their silence the actions of their rulers and army against their Palestinian brothers and sisters?

Lovelessness blinds. Israel exists for the souls of those who now wave the black flags of un-Love. It exists because of the states of the West that sacrificed millions of inhabitants of Palestine, driving them out of their homes, farmlands and villages, making them refugees for as long as they live.

The dense energies created by those who are Israel have multiplied since then. The bills are being presented for collection by the Law of Cause and Effect. Inexorably.

The Great Cosmic Ordainer began to pour out, and continues to pour out, the "gold" and the "lead" weighed in the scales of Justice, written down in the soul book of every inhabitant of the earth, and of Israel.

Israel today is a ship with a leaden hull, with millions of sons and daughters of God with leaden hearts on board. The ship "Israel" sails on the rough Ocean of Causes and Effects, with its holds and deck overloaded with lead.

Raging waves permanently sweep its deck, with millions of Israelis dancing to the sound of bombardment and the clamour rising from the ruins of Gaza. The ship "Israel" has accelerated its sinking with the dense energies created in the last years and days.

And it advances unstoppably towards the grave dug by millions of lead-hearted

Israelis. Into it they will fall with the black flags of un-Love. The rain of fire will fall unexpectedly. America will lose its land carrier.

Millions of eyes in West Asia have their ships in their sights, for their blatant support of Israel. If any of them are sunk, it will be a resounding victory. Others will follow.

Nor will the US get off the hook. They will pay for their crimes those related to the barbarism continuously carried out by "them" through their rulers. Not long after Israel's demise as a state, World War III will begin. There will be no victors. We have been reminded of what has already been announced through our Spokesman and Channel of the Father in Heaven and His Son, Jesus, the Christ.

Wars will disappear from planet Earth. The remnants of weapons will be made into ploughshares to cultivate the earth in Peace. It is said. Peace.

The Brothers of the Stars and the Brothers who have come down from the Pure Heavens never give dates as to the beginning and ending time of conflicts, events and other announced events, for this depends on the free will of those involved.

As to the duration of the Great Warlike Confrontation between the Peoples of the Earth, we have informed those who have come down on Mission to Earth of the time frame in years that this Great Warlike Conflict will last, as a way of letting them know that it will not last a few years, so that they can prepare themselves mentally and also prepare what is necessary. Likewise, as a help to all the sons and daughters of God who inhabit the Earth, we say in this Message given to Humanity, **that the so-called Third World War will last for a few more years than a decade, and there will be no victors.**

It will be the last war that there will be on Earth, with the New Humanity living in Peace, ethically and united with the Brothers of the Stars during the generations of the Reign of Peace, foreseen by the Father in Heaven. Then, as His Mandate is expressed, the Great Evacuation of the Earth will take place. It is then that the fleets of ships, composed of countless great vessels of size and technique unimaginable to human thought, which remain stationed in the so-called ***Kuiper Belt***, will come into action.
